Comprehensivist View of Generations

Human & societal progress relies on Generational Balance, Support & Harmony

Each Gen has app. 18 yr. birth cycle
4 Gens define an extended life cycle
Defining traits repeat every 4 Gens

Greatest Gen	(1901-1924)	1.75M	Hero
Silent Gen	(1925-1942)	23.63M	Artist
Baby Boomers	(1943-1960)	68.70M	Prophet
Gen-X	(1961-1981)	65.13M	Nomad
Millennials	(1982-1999)	82.22M	Hero
Gen-Z	(2000-2018)	13.60M	Artist

Balance is the constant throughout Nature and the Natural Law.

Generational Patterns are part of Earth's adaptive Natural Order.

Generational learning and sharing benefit and sustain ecological, environmental, and cultural patterns as Humanity progresses.

Intergenerational societies/families with spiritual balance do the best.
